

Jon Gunnar

Managing Director - Tanzania

Entrepreneur and Senior Executive, Jon is an Icelandic marine engineer with more than 35 years' experience developing and leading multinational businesses.

As Managing Director of CSI Energy Group Tanzania, Jon handles the company's day-to-day operations and ensures everything runs as efficiently as possible to achieve set objectives. He brings many years of experience in business leadership and provides inspiration, motivation, and guidance to the team.

Prior to joining CSI Energy Group, Jon held various senior leadership roles in Africa and Iceland, where he applied his strong leadership skills by developing and managing international companies across diverse sectors including energy, food, medical and marine industries. He served as Managing Director/COO at Pan African Health Foundation in Nigeria and General Manager at Humall Seafood in Iceland.

Based in Tanzania, Jon is a Qualified Marine Engineer from the Marine Engineering College of Iceland. He is a healthy lifestyle advocate and focused on improving personal health habits and impacting the lives of those around him.
